

# PTBO Game Jam 03

Pressure. Pizza. **Awesomeness.**

**PTBO Game Jam 03** will be held **Friday, August 4 to Sunday, August 6, 2017** at the Fleming College Kawartha Trades and Technology Centre, in Peterborough, Ontario, Canada. Hosted by Peterborough-based game development studio [dotBunny](#) with support from the **IGDA**, the event will see a full gamut of game-development disciplines as developers gather to plan, design and create games in a 32-hour #GameDev marathon.

The semi-annual not-for-profit event drew more than 150 participants last February, as game developers gathered for **PTBO Game Jam 02** and created 33 games in only 48 hours.

**PTBO Game Jam 03** is, fittingly, 3 events in one:

Friday 5:30 to 7:30 p.m. **Youth Educational Block:** youths under the age of 16 can learn MIT's Scratch through the creation a simple game mechanic.

Friday 6 to 9 p.m. **Adult Educational Block:** those 16 years old and above can learn the use of game industry toolsets through the creation of a simple game.

Saturday, August 5 at 9 a.m. **Main Event:** The jam will begin and jammers will develop games based on a forthcoming theme before stopping at 5 p.m. Sunday, August 6.

Admission to **PTBO Game Jam 03** is once again **free** but requires participant pre-registration. Visit <https://ptbogamejam03.eventbrite.ca/> to register, with note that a ticket is required for each event you wish to attend.
